

## **New Membership Rates – Effective 4/2/2007**

At its March meeting the CFSS board decided to raise membership rates effective April 2nd. Rising costs for postage and Folkstuff left us no choice. Support from our members is vital to the success of our concert series especially now as we are faced with increased competition locally and regionally.

Since some people tell us they don't want or need a printed newsletter we decided to give members the option of an "email only" membership at a lower cost. We've also added three new membership levels - "Folk Friend", "Folk Hero" and "Folk Legend". Memberships at these levels offer additional benefits and are tax deductible.

### **Membership Levels**

All members are entitled to vote on all questions coming before the membership, to hold office if elected and to serve on standing or special committees.
